### :: the artist

:: His art introduces you into a world of Life's Passion. The vitality of his paintings will renew your mind for perception within. His depth for never ending creativity is captured in every painting. The more your mind marvels at each created piece, the more you will see.

He has created a body of artwork that will make the twenty first century the era of a New Master.

"My paintings have endless images of forces and configurations of imagination. My artwork creates a freedom we all desire and deserve."

Well known for his admiration of Chagall, Picasso, De Kooning, and Pollock, he has his own creativity of Life, founded in his own mind, imagination and energy for Life. This brings a new Infinite Dimension to Abstract.

His artwork, created in solitude for decades, is ready for presentation to the world. Inspiration and the endless events of Edwin C. Meltzer's artwork have now brought about the unveiling of his collection. The Gallery of Abstraction...
